VII.

EU, NATO, and Russia 20 years after. And what now?

Reflection of political, economical, and security development two decades after the collapse of the Soviet Union and the birth of Russian Federation that will pass on December 2011. Opportunities and directions of future cooperation on political, economic, and security dimensions among EU, NATO, and Russia.

Within the frame of the Polish Presidency of the Council of the European Union.

11 November 2011
